

DISCOVER YOUR VOICE™

BEYOND YOUR TYPICAL PUBLIC SPEAKING PROGRAM

You've attended public speaking workshops and tried the quintessential practice groups. Are you ready for the next level? It's time to experience something different!

Instruction

Learn key tricks that work for your own style, uncover hidden talents, and get in touch with your comfort zone.

Personalization

Achieve the next level of excellence by receiving input on what you do well and what you need to do differently.

Coaching

Have a dedicated 1:1 champion by your side as you learn, apply, and improve your skills.

The **Discover Your Voice™** package includes:

- Six virtual or in-person 75-minute sessions to be completed within a three-month period.
- One True Colors® online personality assessment with a written 20-page electronic report.
- A thorough evaluation and clear identification of your top two areas of development.
- Guidance to incorporate your areas of strength into your messaging and delivery.
- Coaching, training, and resources based on your unique needs and issues.
- Delivery recordings, as appropriate for the situation and issues being worked on.
- Practice time, targeted feedback, and an opportunity to review and re-do.

Take The Next Step Today
