

THE GAME CHANGER™

FORWARD THINKING EXECUTIVE COACHING

You are ready to do something different to advance. The feedback you have heard is not enough to make change happen. You need a coach to help you navigate the next steps. Why aren't you moving forward? Are you ready to reveal your untapped skills?

Exploration

Assess your strengths and areas of development to build a strong foundation for growth.

Personalization

Work on what is currently important to you while keeping your goals in mind.

Growth

Expand your tools and resources to develop to your fullest potential.

The **Game Changer™** package includes:

- Six 60-minute coaching sessions over a 3-month period.
- Eugenia's personality questionnaire, including interpretation and debrief.
- Determining your top two areas of strength and how to intentionally incorporate them at work to wow colleagues and clients.
- Identifying your top two areas of development and creating a personalized game plan to address them to achieve better results.
- Using other assessments and tools as required by your individual situation.

Take The Next Step Today

Eugenia Lunden's expertise and attentive approach can make a difference in achieving your next career goal!
